Proofreader: Aline Marques Kaehler

Secretaries: Maria Helena Chaves da Silva, Eunice de Faria Lopes

Animal Reproduction publishes reviews, original articles, and short communications related to the basic, applied and biotechnological aspects of animal reproductive biology. *Manuscripts* should be submitted online to the Editor-in-Chief. Instructions to Authors are available at <http://www.cbra.org.br/portal/index.htm>. *Animal Reproduction* (ISSN 1806-9614 printed; 1984-3143 online) is published quarterly and wholly owned by the Brazilian College of Animal Reproduction (Colégio Brasileiro de Reprodução Animal - CBRA). Subscriptions and renewals are based on the calendar year. Printed versions of the journal are freely available to the members of the CBRA and electronic versions are available at the journal website.

All the correspondence should be sent to the following address:
